Release and Waiver of Liability

This Release and Waiver of Liability (“Release”) is executed by the undersigned (“Buyer” or “Installer”) in favor of **Goldstone HVACR Inc.**, a corporation organized and existing under the laws of Ontario, with its principal place of business at 272 Prospect St., St. George, ON, N0E 1N0, including its directors, officers, employees, and agents (collectively, “the Company”).

1. Waiver and Release:

The Buyer or Installer, on behalf of themselves and their personal representatives, assigns, heirs, and next of kin, hereby fully releases and forever discharges the Company from any and all liability, claims, and demands of whatever kind or nature, either in law or in equity, that arise from any misuse, unauthorized modification, out-of-scope usage, redevelopment, or reverse engineering of the products provided by the Company. The Buyer or Installer understands and agrees that this Release discharges the Company from any liability or claim that they may have against the Company for damages arising from such actions.

2. Assumption of Risk:

The Buyer or Installer acknowledges and agrees that any misuse, out-of-scope use, modification, redevelopment, or reverse engineering of the Company's products is carried out at their own risk. The Company does not warrant any outcomes resulting from these actions, and the Buyer or Installer assumes full responsibility for any resulting damages, injuries, or losses.

3. Compliance with Local Laws and Regulations:

It is the sole responsibility of the Buyer or Installer to ensure that the installation or application of the product(s) complies with all relevant local codes, laws, and regulations. The Company assumes no responsibility for any consequences arising from non-compliance with these requirements.

4. Indemnification:

The Buyer or Installer agrees to indemnify and hold harmless the Company from and against any and all claims, damages, losses, and expenses, including legal fees, arising from the misuse, out-of-scope use, modification, redevelopment, or reverse engineering of the Company's products.

5. Acknowledgment of Understanding:

The Buyer or Installer acknowledges that they have read and fully understand this Release and, they accept the terms and conditions of this release when the purchase is completed.
